Education

University of Central Florida
B.A Digital Media, Game Design

Orlando, FL
May 2025

Experience

Sky Stride Studios
Level Designer

Orlando, FL
August 2024 – March 2025

- Spearheaded the design and deployment of 3 project phases, including high-fidelity introductory presentations for a fast-paced interactive product
- Developed custom logic systems in collaboration with the engineering team, utilizing visual scripting tools
- Facilitated 10+ user feedback sessions, analyzing qualitative data to iterate on layout, pacing, and difficulty, resulting in a decrease in user friction points
- Balanced 50+ individual interaction encounters to ensure a seamless end-user experience and maintain high levels of engagement

KiwiClockwork
Lead Level Designer

Orlando, FL
August 2023 – March 2024

- Directed a cross-functional team of 6, overseeing the high-level planning and execution of 15+ modular project components integrated into a primary delivery tool
- Designed and implemented 20+ unique project environments, ensuring narrative alignment, thematic consistency, and user engagement goals
- Established comprehensive project documentation, standardizing workflows, and reducing onboarding time for team members
- Partnered with the creative department to maintain a cohesive visual and narrative presentation, ensuring all technical outputs met quality and aesthetic standards

Fujiyama Sushi
Server

Orlando, FL
November 2021 – Present

- Managed logistics and client flow for a high-volume facility, coordinating walk-ins, reservations, and mobile orders for up to 50+ patrons simultaneously
- Trained new servers on service standards and workflow
- Maintained in-depth menu and allergen knowledge to provide accurate recommendations and ensure guest safety and satisfaction
- Demonstrated strong multitasking, communication, and problem-solving skills under pressure
